- Always check the route sign above the front window of the coach to ensure boarding the correct coach.

## Common Courtesy Never Goes Out of Style!

- Do not stow your carry-on items in a vacant seat. Be considerate and allow paying customers their choice of available seats.
- If you must use your cell phone on board *Xpress*, please talk quietly and keep your conversation brief. Select silent or vibrate mode for incoming calls. Speaking loudly does not help the person you call hear you better. Select 'whisper mode,' if your phone has this option, so other passengers will not have to share your conversation.
